

**AGENDA**

**ROSATOM INTERNATIONAL CAREER DAY**

**Event format: online ZOOM platform**

**Date: February 20 - 21, 2024**

**Starting time: 11:00 a.m. (Moscow time)**

**Working languages: English, Russian**

The event is dedicated to present the development of the nuclear projects in the partner countries for the graduates of the Russian nuclear educational programs and facilitate the communication between the international students and the representatives of nuclear industry in their home countries.

On February 20, 2024, students will be able to attend open lectures of the Russian and international experts on safety and security of nuclear technologies.

**Co-organizers of the event:**

1. National Research Tomsk Polytechnic University
2. Rosatom State Atomic Energy Corporation

**Participants:** Representatives of Rosatom companies, representatives of the Ministries and governmental bodies, representatives of potential employers (nuclear power plants, regulators, national atomic energy commissions, nuclear infrastructure companies), international students and graduates of Rosatom partner universities (including the presentations of the success stories)
